Summary:

Passionate software engineering enthusiast currently pursuing a Master's degree in Computer Science with a solid foundation in the field. Experienced Market Data Specialist at META (Facebook), skilled in problem-solving, partner management, and leadership. Proficient in Java, Python, SQL, Laravel, React JS, and more. Seeking to leverage my technical prowess and analytical thinking for impactful contributions in software engineering roles.

Skills:

Programming Languages: Java, Python, HTML, CSS, JavaScript, PHP

Frameworks: Spring-boot, Laravel, React Js

Databases: MySQL, MongoDB

Tools: Eclipse, IntelliJ, Git, Postman, JIRA, GitHub, VS Code, Docker

Web/App Servers: AWS, PuTTY

Platforms: Windows 10/11, Ubuntu, UNIX

SDLC: Agile, Waterfall, TDD, DDD

Professional Experience:

META (Facebook), Dublin, Ireland: Risk Prevention Market Data Specialist Africa | Aug 2021 – July 2023

- Led the creation of a centralized data repository web page, streamlining data tools and queries for the Sub-Saharan team.
- Coordinated and mentored a team member, facilitating seamless onboarding and project contribution.
- Developed the wiki pages using Meta's markup programming language, enhancing accessibility and searchability. Created SQL Query repositories and implemented the dashboard using META's Unidash tool with filter optimization through Macros and Jinja.

Anbessa Sports Betting, Ethiopia: Software Engineer | Sep 2019 – July 2021

- Designed and implemented a Payment Receipt System, integrating APIs and generating XML files for receipt printing.
- Set up Laravel Rest API for JSON responses to Java application, facilitating efficient communication between systems.
- Led UI design and collaboration with Database Engineer to create a Betting Site Admin portal.
- Contributed to the development of cashiers' account management and Dashboard metrics for bets and cashflow.

Education:

Master of Science in Computer Science (Expected Graduation: Dec 2024)

Maharishi International University, Iowa, USA

Bachelor of Science in Computer Science |

Addis Ababa University, Ethiopia | 09/2015-06/2019
